

HOW TO REGISTER WITH ASKMYGP

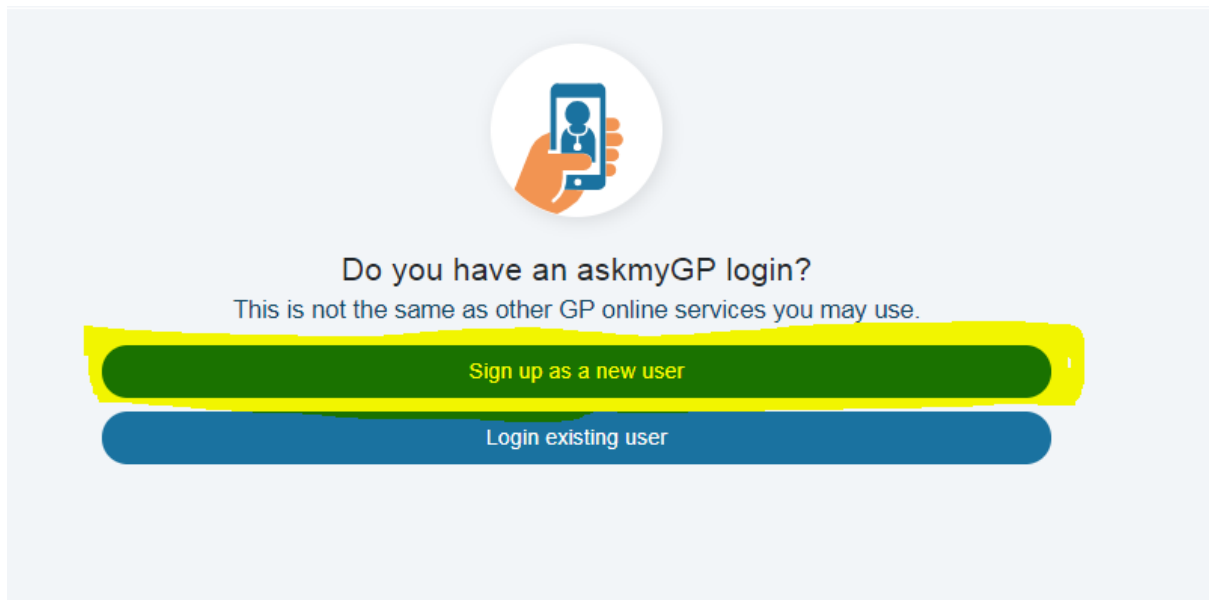

To register with our new online service you should go to www.londonroadmedicalpractice.co.uk and click on the link as highlighted below:

The link will take you to this screen. You should click on “Consult your GP”, as highlighted below:

The next screen will allow you to sign up as a new user, as highlighted:

You will then be taken to the information screen where you should input as much information as possible and click confirm when you have done this.

Sign up to askmyGP

You can do it here and now. Your email address may be used only once.
